Summer Program Applications

The due date for summer applications was May 31. Thank you to all for your completed applications. All submitted applications will be reviewed and feedback communicated as soon as possible. If you have questions or need assistance, feel free to contact Alfonso Zepeda-Capistrán at alfonso.zepeda-capistran@dpi.wi.gov or (608) 267-2287, Jessica Awe at jessica.awe@dpi.wi.gov or (608) 264-9324 or Kathleen Jackson at kathleen.jackson@dpi.wi.gov.

Electronic Student Academic Report (E-SAR) Update

The rollout of the electronic Student Academic Report (E-SAR) is going well. Special thanks Jamie Shaffer from Cumberland for bringing to our attention an erroneous grade for a student, so this could be corrected in NGS.

This example brings to light the importance of the district checking the information provided by NGS on the E-SAR. The watchful eye of district staff is a key element for reliable data.

All feedback on collection of migrant data is appreciated. Questions or need for support can be directed to Tena Torgerson at tena.torgerson@dpi.wi.gov, (608) 266-9629.

June Means Recruiting

As summer begins and the school year comes to a close, the migrant summer program is just beginning. As districts prepare for recruitment of eligible families, we want to share some resources that can assist with this work. Recently the Identification and Recruitment (ID&R) page of our website had been updated to include many resources and our recruiting [manual](#).
